

Boulevard / Morse Merryman Roundabout Construction Starts Monday September 18

On Monday, September 18, Active Construction Inc. will start construction of the Boulevard Road and Morse-Merryman Road Roundabout Project.

Expect traffic delays and plan ahead. Give yourself extra time to get through the work zone or use alternate routes to get to your destination. (See map on back)

What's Happening?

Our contractor will start by removing trees and other vegetation for the expanded intersection and new sidewalks.

As areas are cleared, they will install plastic orange fencing to designate the work area.

Finally, they will fill areas near the intersection for the new roundabout.

When will work occur?

Monday through Friday, 7:00 am - 3:30 pm.

Work will continue as weather permits; stopping for the winter in late October.

Who do I contact about questions?

Jim Rioux, Project Manager

Phone: 360.753.8484

Email: jrioux@ci.olympia.wa.us

SAFETY IS OUR FIRST PRIORITY!

Please be patient and remain calm

Flaggers will manage traffic to ensure the safety of workers and anyone passing through the work zone.

Use extra caution when moving through the work zone.

Make sure traffic has stopped and make eye contact with drivers before crossing the street.

Expect noise and vibration

Construction is loud and often results in vibration that can be felt on nearby property.

People at home during the day should expect noise from construction activities.

Valuable items should be moved off of walls or shelves while work is underway.

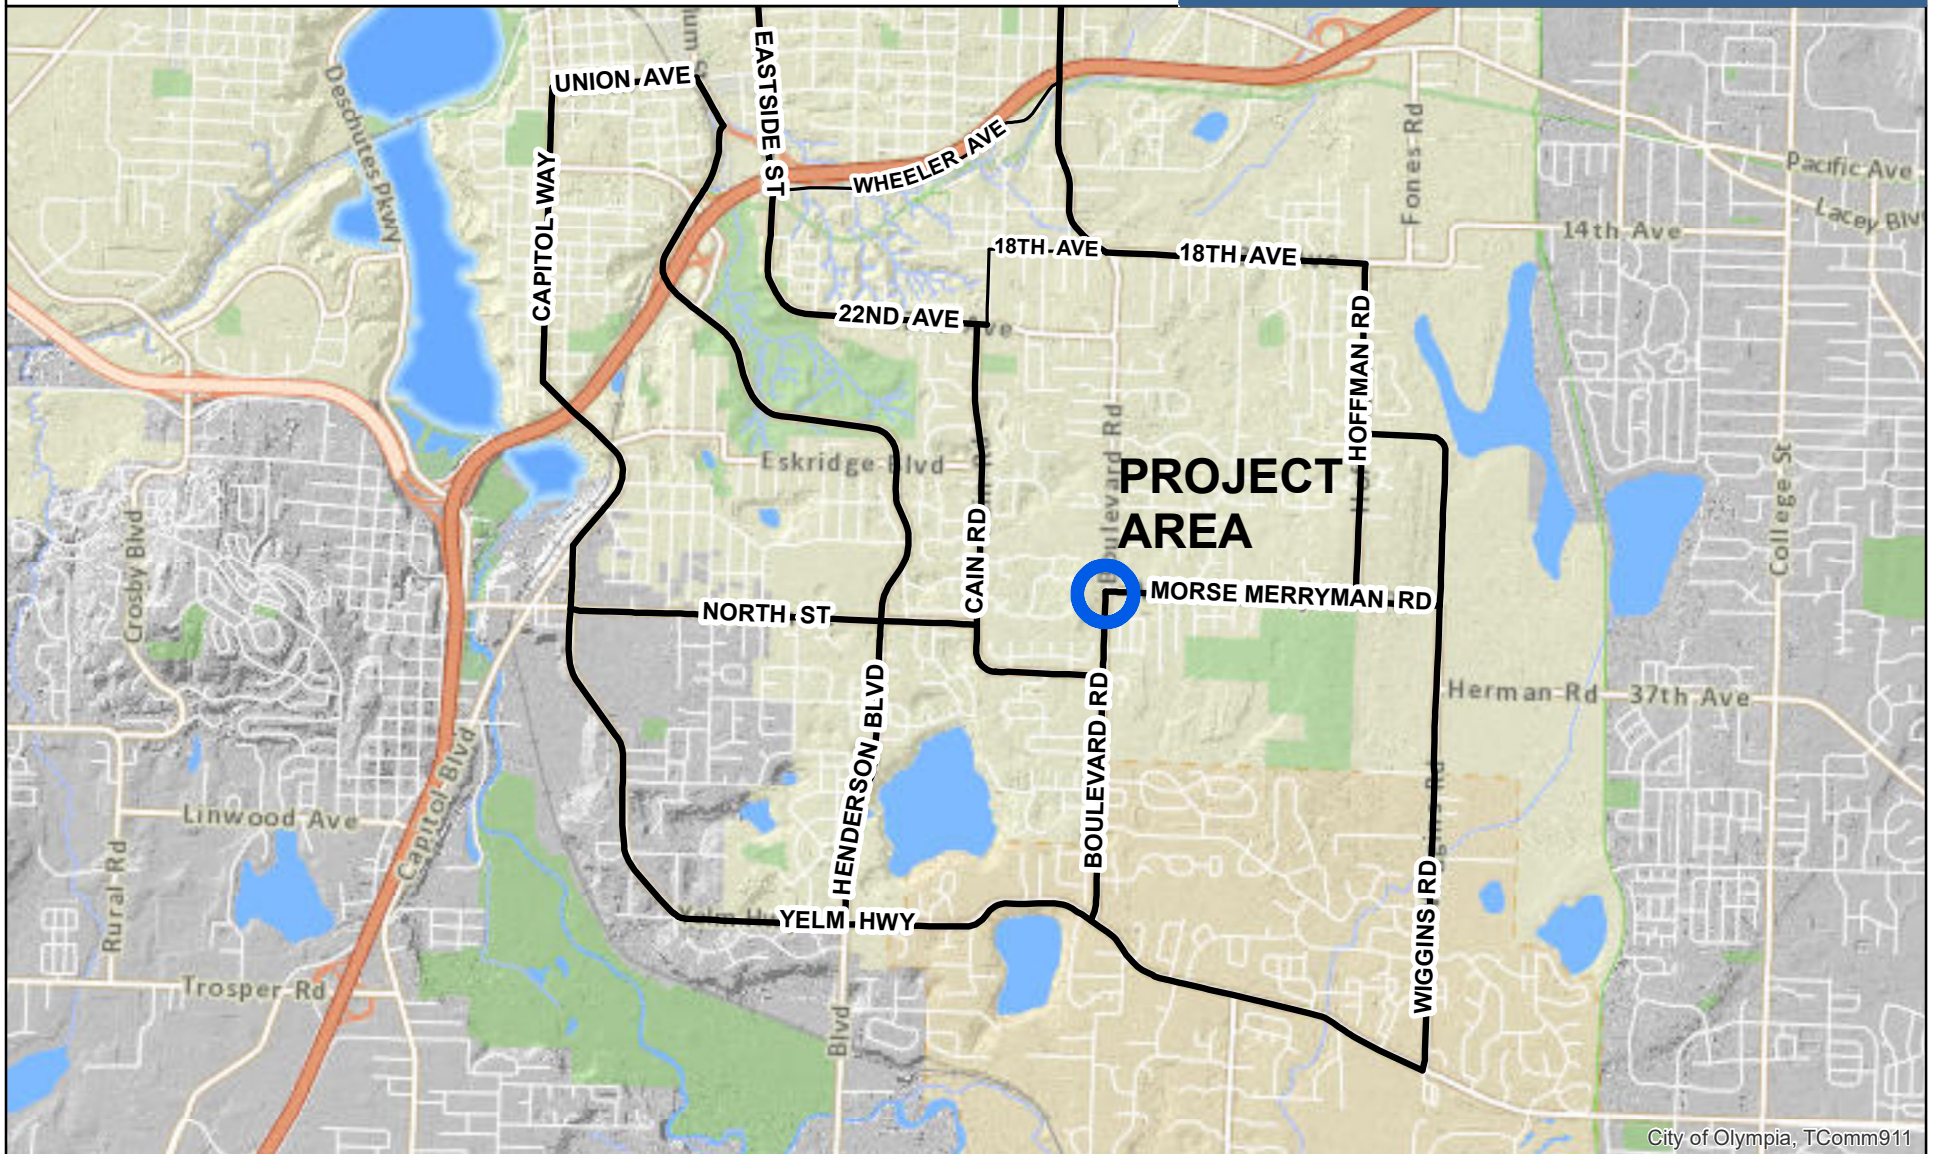

09/14 JR:

The City is committed to the non-discriminatory treatment of all persons in the employment and the delivery of services and resources.
